### THINGS OF INTEREST

1. Well the day after I sent out the cards requesting moves for 68CV I found the moves from the rest of you except Bill Haggart. So I now have Fall 05 moves from Keathley, Turner, and White. Since I am the cause of all the confusion I will give Haggart until the next deadline to get his moves in. For my dumb error I apologize to all of you.

2. Deadline is January 1970

### THE GIFT

I have no gold to lay at feet  
Of Him who in the stable lay.  
I have no reasures here on earth  
That you'd call wealth this Christmas Day.

But I am Drawn like everyone,  
To kneel before my Lord and King,  
Of Whom we all this Christmas sing.

I Kneel before Him humbly now,  
In earnestness I consecrate  
The rest of life, my every hour,  
To good of all I dedicate.
